CENTRAL INTELLIGENCE AGENCY
Washington 25, D. C.

25 April 1953

SUBJECT: Active Duty Training

TO: Headquarters USAF
Director of Military Personnel
ATTN: AFPMP-R-1
Washington 25, D. C.

1. There are certain formal training programs conducted by the Central Intelligence Agency which will provide more effective preparation of the AF Reserve Mobilization Assignees assigned to this Agency. At present this unit has no formal authority to use such programs for meeting the annual fifteen-day active duty training tour requirement for Ready reservists.

2. These courses are not mandatory for all Agency personnel. A recent survey revealed that less than half of 1 per cent of Agency reserve personnel have been enrolled in these courses. At present these courses are used to train a limited number of Agency civilian personnel and some military personnel detailed to the Agency to engage in peacetime planning for wartime activities. If authorization is granted to use these courses for fifteen-day active duty training tours, they will be modified as required to permit presentation within the time limit.

3. It is requested that formal approval be granted authorizing the use of these courses for the fifteen-day active duty tour requirement for Ready reservists holding mobilization assignments to this Agency.
